Subject: It's Here! Final Benchmark Available Online Now

Hello,

The EDCI is thrilled to announce that the fourth annual EDCI Benchmark is now live! This exciting milestone is made possible with huge thanks to the hard work of our member GPs and their portfolio companies. With over 230,000 data points from more than 9,000 portfolio companies, this year's benchmark is another important step towards the EDCI's mission, and is a critical resource for GP and LP members alike that are looking to better understand and make progress on driving sustainable value creation. Read on to learn more about the benchmark and how you can access it.

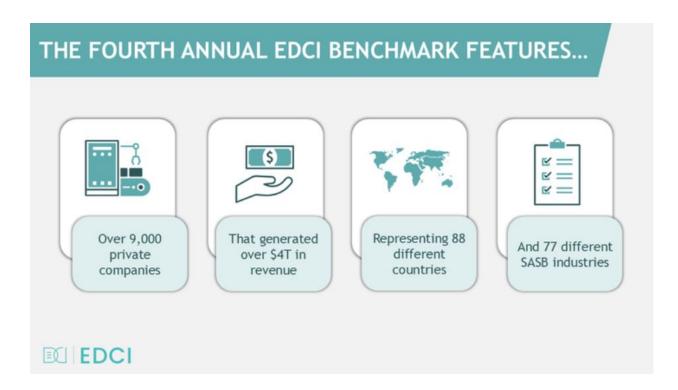

2025 Benchmark Release | Our fourth annual benchmark is now live!

This year's benchmark builds on the progress made over the past three years and now includes:

- Sustainability data from over 310 member GPs (a 25% increase over last year)
- Data from over 9,000 PortCos (a nearly 50% increase over last year)
- Taken together, these companies generated over \$4 trillion in revenue in 2024
- Coverage of 77 different industries and X countries, offering the ability to flexibly analyze the benchmark at a more granular level
- Over 60% of PortCos contributed trending data (i.e., more than 1 year of data) enabling nuanced year over year analysis

EDCI members can access the finalized 2025 benchmark directly through the EDCI benchmark portal. For those wanting to go deeper in harnessing the value of the EDCI, premium functionality for 2025 provides members with:

- More granular, like for like, benchmarks by dimension (e.g. region, sector)
- A heatmap for GPs to visualize PortCos against tailored benchmarks
- The ability to share data directly and securely between GPs and LPs
- Flexible visualizations on trending analyses
- PortCo, fund, and portfolio level PMDR and NZIF net zero hypothesis generation
- The ability to visualize the benchmark directly within your own tech platform provider

If you have any questions about the EDCI's benchmark for 2025, or your firm is interested in becoming a member we are happy to help! Reach out to us at info@esgdc.org with any questions.

Warm regards,

The ESG Data Convergence Initiative Team
